

Digital GURU Newsletter Vol.4_en

Overview

DIGITAL GURU

Welcome to the forth and final issue of the Digital Guru Newsletter!

In this last newsletter we share information about the project's final outcomes and ***we invite you to sign in the digital GURu Platform!***

Why?

In order to:

- Get inspired from the motivation toolkit and use the suggested practices, activities and techniques in your professional environment
- Select and apply the Digital Classroom Lab/s that may support the introduction of digital tools in your company's activities
- Check your knowledge and skills through the assessment tools that are available in the Digital GURU platform
- Be informed about the multiplier events that have been implemented in all partner countries

and become the Digital Guru for your company!

The motivation toolkit

Dive into a collection of useful approaches, techniques and good-practices that you can use in order to empower and encourage motivation in your workers from Elementary Occupations (EO), who do not feel like they can acquire digital literacy skills to develop themselves professionally and personally.

The digital GURU Curriculum Programme

If you are interested in learning how to train your own and your employees digital skills, read the proposed Curriculum Programme (in PDF form) and then go over the interactive presentations in each module to retain your knowledge! The suggested modules are as follows:

- *Module 1 : CHANGES IN THE WAY WE PRODUCE*
 - *Module 2 : DIGITAL INFORMATION MANAGEMENT*
 - *Module 3 : DIGITAL TOOLS*
 - *Module 4 : DIGITAL ENVIRONMENTS*
 - *Module 5 : SAFETY*
-

Don't forget to take the quiz at the end of each module, to find out what you've learnt and what you need to revisit!

The Digital Guru LABs

1 - 1. Technology and digitalization

2 - 2. Communication

3 - 3. File storage and organization

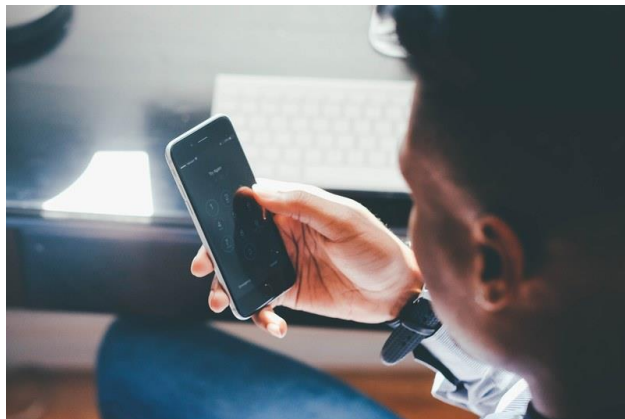

4 - 4. Searching for information on the Internet

5 - 5. Digital security
